ACTION TAKEN REPORT

Shri Gajanan Maharaj Shikshan Prasarak Mandal's Sharadchandra Pawar Arts and Commerce College is ever conscious about being a good steward of the environment along with pursuing its higher educational goals. A Green living habit helps in making the planet more sustainable and more live able, making it fit to live in. The institution tries to engrave the green movement into its regular pattern. Hence, the institution has included Green, Energy and Environment Audit in its policy documents ensuring its focus on applying it in the course of action.

The college also conducted five external audits in the periods 2017-18 to 2021-22 in collaboration with Enrich Consultants, Parvati, Pune . The personnel from the external agency visited and stayed in the campus to study the campus ecosystem and to analyze the practices of the institution in terms its utilization of energy and water resources and its green practices. The detailed report submitted by the external agency was studied by the institutional authorities and corrective measures are taken and appropriate interventions are done to improve the sustainable practices of the College.

Green, Energy and Environment Audits are conducted by Enrich Consultants, Parvati, Pune . in the academic year 2017-18 to 2021-22. As per the report of the auditing agency, the following actions are taken:

- CFLs are replaced by LED lamps
- Strict instructions are given to faculty, staff and students to unplug and turn off electrical appliances when not in use or after use
- Regular check-up on the gadgets are done to improve their efficiency
- Periodic water quality assessment is done regularly
- Measures are taken to re-strengthen the existing water management practices
- Measures are taken to sanitize water coolers
- Wastes produced in each department are quantified and data is prepared for the effective waste management in the campus
- Measures are taken about disposal and management of waste
- Measures are taken to effectively implement green protocol in the campus.
- Maintenance of Good Internal Road.
- Conducting Tree plantation & Cleanliness Drive in the campus
- Provision of Ramp for Divyangajan
- Creation of awareness on Resource Conservation by Display of posters.
- Creation of awareness on Plastic Free Campus by Display of posters.
- Zero waste management Project.
- Sanitary napkin incinerators are installed in the campus. Ash remaining at the bottom of the combustion chambers of incinerators are properly disposed
- Management is paying much attention to the effective implementation of green protocols in the campus.
