### **Institution-Industry Cell**

The Institution-Industry Cell (IIC) provides continuous interaction between academia and industry which is the need of the hour. It provides a platform for both the students as well as faculty members to be aware of industry expectations of skill sets required for students.

The College has close association with the industries by signing the MoU's which plays a key role for talent and joint research. Institution -Industry Cell (IIC) aims to bridge the gap between the institute and the industry and offer real time exposure on projects and other developments.

Sharadchandra Pawar Arts & Commerce College has established "Institution Industry Cell (IIC) with the following objectives:

- To synchronize the quality of education to meet the trend of industry.
- To produce industry-ready students.
- To conduct other value added programs based on industry requirements.
- To integrate industrial training and other inputs to develop students.
- To offer research, development, consultancy and testing services to solve industrial problems.
- To share the experience and expertise between institution and industry for mutual benefits.
- To improve curricula, faculty, infrastructure in line within the industry requirement.
- To develop good work culture among students.
- To organize lecture by experts from industry.
