On this occasion the Principal of the college Dr. Hansraj Thorat said that Matama Phule was an Indian social activist, thinker, anti-caste social reformer and writer from Maharashtra. Jyotiba Phule initiatives included eradicating untouchability and the caste system, as well as educating women and caste members who were being exploited. Jyotirao attacked the Orthodox Brahmin and other high-ranking castes, calling them "hypocrites". He fought the authoritarianism of upper castes and called on "farmers" and "proletariats" to resist the restrictions imposed on them. He believed that religious icons such as 'Rama' or 'Krishna' were used by the Brahmin as a means of conquering lower castes. Everyone present Faculty Saluted Mahatma Jyotiba Phule.
