The primary objective of the School Connect Campaign visit was to sensitize the students from the class 9th, 10th, 11th and 12th about NEP-2020. We, Dr. Natha Mokate, Principal along with Dr. Pandurand Misal, Vice Principal, Mr. Sanjeev kamble, Mr. Rohit Kadam, Mr. Manik Kasab, Mr. Parmeshwar Battashe, Dr. Santosh Kadam IQAC coordinator were present for this campaign. We had the opportunity to interact with students from various Schools. This session provided valuable insights into their academic interests, career aspirations, and any challenges they may be facing in view of NEP-2020.

Meetings were held with the faculty members to discuss positive potential of NEP-2020 and its impact on education in Maharashtra. Our team conducted informative presentations on Multidisciplinary Curriculum structure prepared by our university in line with NEP-2020, innovative professional, and skill-based courses, explain the grading method in the evaluation and the salinity it brings, gave ideas about opportunities for free distance education to the students who have left the education system to support the family and turn to employment and many verticals of NEP-2020.

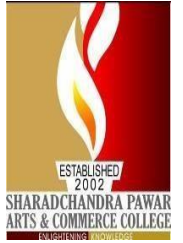

These sessions were aimed to provide students with additional knowledge and skills, aligning with the objectives of the School Connect Campaign. Open discussions were encouraged, and feedback was gathered from both students and faculty. This feedback will be crucial in knowing about their understanding of NEP-2020. The School Connect Campaign was a positive and fruitful experience.
